

## Bruce Friborg Benefit Trust Fund

Erik's last wish was that the people in his life would take care of each other, help each other, and support one another in his absence.

In this spirit, a trust fund for Bruce's education and future needs has been established. All funding and support for this account is coming from friends and neighbors like us. This is certainly not the only way to show your love and support in this tragic time, but I do believe it is one way to honor Erik's final request.

If you would like to make a donation, of any amount whatsoever, it would be sincerely appreciated. By the time Bruce is ready for school, even the smallest contribution put into the bank today will have had time to become significant and important. If you would like to support on a continuous basis, or cannot do so now, you may add to the account at any time.

Sending an email to [BruceFriborgBenefit@gmail.com](mailto:BruceFriborgBenefit@gmail.com) will put you on a mailing list that will automatically send out a reminder with donation instructions once per year until Bruce is 18; you can also write to this address to receive new pre-addressed envelopes and labels. This is, of course, completely optional, and you can remove yourself from the list at any time.

To contribute: the account will accept checks by mail at any time. Checks should be made out to "Benefit of Bruce Friborg," and mailed to the following address. No further information is necessary.

RiverWood Bank PO Box 458 Bemidji, MN 56619-0458

Once again, additional envelopes and adhesive labels can be sent to you by sending your home address to [BruceFriborgBenefit@gmail.com](mailto:BruceFriborgBenefit@gmail.com). No other use will be made of your email or home address, and they will be kept confidential by the trustee.

Due to the bank's strict privacy rules, all donations are completely anonymous, even to the trustee. As such, you won't ever be personally thanked or recognized. This doesn't mean you're not making a difference, or are unappreciated. Your only reward is knowing that someday Bruce's path will be a little bit easier to walk, and that you helped.

On behalf of the Friborg family, thank you.
